### **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

As required by Section 102 of the Companies Act, 2013 (Act), the following explanatory statement sets out all material facts relating to the business mentioned under Item No. 2 to 4 of the accompanying Notice:

#### **Item No. 2:**

Mr. Ganga Sahai was appointed as an Additional Director of the Company with effect from 03/10/2017 In accordance with the provisions of Section 161 of the Companies Act, 2013, Mr. Ganga Sahai shall hold office up to the date of the forthcoming Annual General Meeting .The Company has received a notice in writing from a member along with the requisite deposit as required under Section 160 of the Companies Act, 2013, proposing the candidature of Mr. Ganga Sahai for the office of Non-Executive Independent Director of the Company.

In the opinion of the Board, Mr. Ganga Sahai fulfills the conditions as specified in the Listing Regulation 36 of the of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and 149 of the Companies Act, 2013 and rules made there under for his appointment as an Independent Director of the Company. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Ganga Sahai as an Independent Director.

Except Mr. Ganga Sahai, being an appointee, none of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives are concerned or interested in the Resolution set out at Item no. 2 of the accompanying notice.

Accordingly, the Board recommends the resolution at item No. 2 in relation to his appointment as an Independent Director for approval of members.

#### **Item No. 3:**

Mr. Kishan Singh was appointed as an Additional Director of the Company with effect from 03/10/2017 In accordance with the provisions of Section 161 of the Companies Act, 2013, Mr. Kishan Singh shall hold office up to the date of the forthcoming Annual General Meeting .The Company has received a notice in writing from a member along with the requisite deposit as required under Section 160 of the Companies Act, 2013, proposing the candidature of Mr. Kishan Singh for the office of Non-Executive Independent Director of the Company.

In the opinion of the Board, Mr. Kishan Singh fulfills the conditions as specified in the Listing Regulation 36 of the of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and 149 of the Companies Act, 2013 and rules made there under for his appointment as an Independent Director of the Company. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Kishan Singh as an Independent Director.

Except Mr. Kishan Singh, being an appointee, none of the Directors or Key Managerial Personnel (KMP) of the Company or their relatives are concerned or interested in the Resolution set out at Item no. 3 of the accompanying notice.

Accordingly, the Board recommends the resolution at item No. 3 in relation to his appointment as an Independent Director for approval of members.

### Item No. 4:

As per the provisions of Section 20 of the Companies Act, 2013, a document may be served on any member by sending it to him by post or by registered post or by speed post or by courier or by delivery at his office or residence address or by such electronic or other mode as may be prescribed. Further, proviso to sub-section (2) of Section 20 states that a member may request for delivery of any document through a particular mode, for which he shall pay such fees in advance as may be determined by the company in its Annual General Meeting. Accordingly, the Board of Directors in their meeting held on August 14, 2018 has proposed that a sum equivalent to the estimated actual expenses of delivery of the documents through a particular mode, if any request has been made by any member for delivery of such documents to him through such mode of service, be taken to cover the cost of such delivery.

None of the Directors or Key Managerial Personnel including their relatives is concerned or interested, financial or otherwise, in the said resolution.

The Board recommends the Ordinary Resolution as set out in item no 4 of Notice for approval of the Members.

### INDEPENDENT AUDITORS' REPORT

**TO,  
THE MEMBERS OF,  
T. SPIRITUAL WORLD LIMITED**

**Report on the Financial Statements: -**

We have audited the accompanying financial statements of T. Spiritual World Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements: -**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("IND AS") specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility: -**

Our responsibility is to express an opinion on these financial statements based on our audit.

In conducting our Audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by Company's Board of Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Opinion: -**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March 2018, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

**“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT**

**(Referred to in paragraph 2(f) under the heading ‘Report on Other Legal and Regulatory Requirements’ section of our Report of even date)**

**Independent Auditors’ Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of T. Spiritual World Limited (“the Company”), as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls: -**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility: -**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting: -**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in

accordance with authorisations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting: -**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion: -**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Notes to Financial Statements as at and for the year ended 31st March, 2018**

#### **1. Significant Accounting Policies and Key Estimates and Judgements**

##### **1.1 Basis of Preparation of financial statements**

These financial statements for the year ended 31st March, 2018 are the first financial statements, the Company has prepared in accordance with Indian Accounting Standards ("Ind AS") consequent to the notification of The Companies (Indian Accounting Standards) Rules, 2015 (the Rules) issued by the MCA. Further, in accordance with the Rules, the Company has restated its Balance Sheet as at 1st April, 2016 and financial statements for the year ended and as at 31st March, 2017 also as per Ind AS.

For all periods up to and including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 [Indian GAAP].

As per the requirements of IND AS, fair valuation adjustments pertaining to financial assets, the Company has incurred losses in the past and in reporting year which had resulted in erosion of net worth of the Company. The company expects growth in its operations in coming years with continuous improvement in operational efficiency. Accordingly, the financial statements have been prepared on accrual basis under the historical cost convention and on-going concern concept, unless otherwise stated.

For preparation of opening balance sheet under Ind AS as at 1st April, 2016, the Company has availed exemptions and firsttime adoption policies in accordance with Ind AS 101 "First-time Adoption of Indian Accounting Standards", the details of which have been explained thereof in Note 1.3.

The financial statements have been prepared on a historical cost basis, except for certain financial assets measured at fair value as described in accounting policies regarding financial instruments.

##### **Estimates**

The estimates at 1st April, 2016 and at 31st March, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies). Consequent to Company's transition to Ind AS as explained in "Basis of Preparation" paragraph above, following are accounted for the first time in these financial statements and hence estimates for these items are based on conditions existing on the respective Balance Sheet dates:

- (a) Impairment of financial assets based on expected credit loss model
- (b) Fair value of certain financial assets and liabilities through Profit and Loss (FVTPL)

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions at 1st April, 2016, the date of transition to Ind AS and as of 31st March, 2017.

### 1.2 Summary of Significant Accounting Policies

#### a. Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in Company's normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- expected to be settled in Company's normal operating cycle
- held primarily for the purpose of trading
- due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

#### b. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

##### **Sale of Goods**

Revenue from the sale of goods is recognised on transfer of significant risks and rewards of ownership to customers based on the contract with the customers for delivery. Revenue from the sale of goods is net of returns and allowances, trade discounts and volume rebates. The Company collects Goods & Service Tax on behalf of the government and therefore, it is not an economic benefit flowing to the Company and hence excluded from revenue (if any).

##### **Interest Income**

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. Interest income is included in other income in the statement of profit and loss.

##### **Dividends**

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

### **c. Taxes**

Tax expense is the aggregate amount included in determination of profit or loss for the period in respect of current tax & deferred tax.

#### **Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### **Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits (MAT Credit Entitlement) and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

### **d. Property, Plant and Equipment**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Expenditure directly attributable to expansion projects are capitalised. Administrative, general overheads and other indirect expenditure (including borrowing costs) incurred during the project period which are not related to the project nor are incidental thereto, are charged to Statement of Profit and Loss.

Depreciation on property, plant and equipment is provided under Written Down Value method at the rates determined based on useful lives of the respective assets and residual values which is in line with those indicated in Schedule II of The Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

### **e. Investment Property**

Property that is held for Long Term rental yields or for capital appreciation or both and is not occupied by Company is classified as Investment Property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit or loss in the period of de-recognition.

Estimated useful life of Investment Property for calculation of Depreciation is taken as stated in para (d) above.

### **f. Intangible Assets**

Intangible assets comprise of implementation cost for software and other application software acquired / developed for in-house use. These assets are stated at cost, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably, less accumulated amortisation and accumulated impairment losses, if any.

### **g. Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### **h. Inventories**

Inventories are valued at the lower of cost and net realisable value. Finished Goods/ Stock-In Trade are valued at lower of cost or net realizable value. Cost comprises all costs of purchases and other cost incurred in bringing the inventory to its present location and condition. Cost is determined on First in First Out (FIFO) basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**i. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets****(i) Initial Recognition and Measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the settlement date, i.e., the date that the asset is delivered to or by the Company which generally coincides with the trade date.

**(ii) Subsequent Measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

- a. Equity instruments at fair value through profit or loss (FVTPL)
- b. Debt instruments, if any, at amortised cost
- c. Equity Instruments in subsidiaries

**a. Equity Instruments at Fair Value through Profit or Loss (FVTPL)**

All equity investments in scope of Ind AS 109 are measured at fair value except equity investments in subsidiaries which are measured at cost as per Ind AS 27. For equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

**b. Debt instruments at amortised cost**

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company

### **c. Equity Instruments in subsidiaries**

Equity investments in Subsidiaries are carried at Cost, in accordance with option available in Ind AS 27 "Separate Financial Statements".

#### **(iii) De-Recognition**

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the Company's balance sheet) when the rights to receive cash flows from the asset have expired.

#### **(iv) Impairment of Financial Assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss and credit risk exposure.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

As a practical expedient, the Company uses historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates to determine impairment loss allowance on portfolio of its trade receivables.

### **Financial Liabilities**

#### **(i) Initial Recognition and Measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

#### **(ii) Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### **(iii) De-Recognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original

liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

**(iv) Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**j. Fair Value Measurement**

The Company measures financial instruments, such as, quoted investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements at fair value on recurring basis the Company determines whenever transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period and discloses the same.

**k. Impairment of Non-Financial Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or class of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**l. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**m. Cash Dividend to Equity Holders**

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

### **n. Earning Per Share**

Earning per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **o. Retirement and other Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the service are recognized in the period in which employee renders the related service and charged to the Statement of Profit & Loss.

Since numbers of employee employed by the Company for any part of the year or throughout the year were within the prescribed threshold limit of the relevant statute relating to Employees, hence, the provisions of Employees' Provident Funds and Miscellaneous Provisions Act, 1952, Payment of Bonus Act, 1965, Employees' State Insurance Act, 1948. Payment of Gratuity Act, 1972 and all other allied Labour Acts or laws or any other rules and regulations relating to Employees are not applicable to the Company.

The employees employed by the Company during the year under review or part of the year have not completed continuous service period of 5 years and there is not any un-availed/unutilized leave of any employees working with the Company at the year end. As such, they are not entitled for Gratuity, Leave encashment and Other Retirement benefits. Accordingly, no provision is required to be made in respect of the retirement benefits. Also, no such payment of any retirement benefits have been made during the year.

### **p. Segment Reporting**

The Company's operating business segments are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

### **q. Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

### **r. Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

### **s. Significant Accounting Judgements, Estimates and Assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities,

and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**(i) Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**a. Taxes**

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the losses and tax credits can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

**b. Expected Credit Loss Model**

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the Financial Assets. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. As a practical expedient, the Company uses historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates to determine impairment loss allowance on portfolio of its trade receivables.

**t. Exceptional Items**

When items of income and expense from ordinary business activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items. In nearly all cases, an event or transaction was considered to be part of the normal operating activities of a business, and so was reported as such. An exceptional item used to be separately stated in the statement of profit & loss.

**1.3 First Time Adoption of Ind AS**

The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transition date of 1st April, 2016. These financial statements for the year ended 31st March, 2018 are the first financial statements the Company has prepared under Ind AS. For all periods upto and including the year ended 31st March, 2017 the Company prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ("Previous GAAP").

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Company has prepared financial statements which comply with Ind AS for year ended 31st March, 2018, together with the comparative information as at and for the year ended 31st March, 2017 and the opening Ind AS Balance Sheet as at 1st April, 2016, the date of transition to Ind AS.

In preparing these Ind AS financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its financial statements prepared under previous GAAP, including the Balance Sheet as at 1st April, 2016 and the financial statements as at and for the year ended 31st March, 2017.

**E) Re-Classifications**

The Company has done the following reclassifications as per the requirements of Ind AS:

- i. Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability.
- ii. Long Term Trade receivables and other receivables have been reclassified to non-current financial assets.

**F) Ind AS 101 Exemptions Applied**

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. Exemptions applied by Company are detailed here under:

With regard to Property Plant and Equipment the Company has elected to continue with carrying value as recognised in its Indian GAAP Financial Statements as deemed cost at the transition date, viz., 1st April, 2016.

**G) Mandatory Exceptions from retrospective application**

The Company has applied the following exceptions to the retrospective application of Ind AS as mandatorily required under Ind AS 101:

- i. Estimates On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.
- ii. Classification and measurement of financial assets. The classification of financial assets to be measured at amortised cost or fair value through other comprehensive income is made on the basis of the facts and circumstances that existed on the date of transition to Ind AS.
